Barbara Cox, PE, Engineering Manager  
Darren A. Lee, PE, Civil Engineer II

**Re: Resolution No. 26-15 - 2015 Crack Seal Program - Bid Acceptance**

## Summary

On February, 24, 2015, five (5) bids were received, publicly opened and read for the 2015 Crack Seal Program. This program will perform preventative pavement maintenance by preparing and sealing pavement cracks with a hot applied crack sealant. The program will involve crack sealing approximately 1,000,000 square yards of existing roadway surface.

The Engineer's estimate is \$430,000.00. The budgeted funds for this project are from the 2015 Capital Improvements Program for Annual Street Maintenance. Staff has reviewed all bids and a summary of the bids is listed below.

Bidder	Bid as Read	Bid as Read Over (+) or Under (-) Engineer's Estimate	Corrected Bid
American Pavements, Inc.	\$264,800.00	-38.4%	
Strawser Paving Company, Inc.	\$276,400.00	-35.7%	
WL Markers	\$297,200.00	-30.9%	
Aero-Mark, Inc.	\$386,000.00	-10.2%	
Scodeller Construction	\$396,320.00	-7.8%	

For Council's reference and review, a reduced set of project drawings and street listing have been placed in the Council Planning Room.

Staff has thoroughly reviewed the bid from American Pavements, Inc. This is the first year for this program. American Pavements, Inc. has performed work as subcontractor on previous Dublin Street Maintenance Programs. Based on the company's positive reputation and their work as a subcontractor, staff believes that they will perform this program to the City's satisfaction.

Staff anticipates the construction to commence in mid-April 2015. The scheduled completion date for the project is June 30, 2015.

## Recommendation

Staff recommends Council approval of Resolution 26-15, accepting as lowest and best the bid of American Pavements, Inc. in the amount of \$264,800.00 and authorizing the City Manager to enter into a contract with American Pavements, Inc. for this project.
